### Event Details

The opening of our Chocolate Bar was so popular last year, that we've decided to make it an annual event. This time, we're calling it an Open House, and for those of you who haven't visited in a year, you'll see some big changes at Charles Chocolates. So take this opportunity to come visit us, see our newest enrobing machine, talk to Chuck, sample all of our chocolates and reacquaint yourself with Charles Chocolates. Friends, family, and children of all ages are invited to join us on July 12th from 2-7pm and everyone will receive 10% off all purchases during our Open House. This event is FREE to attend!

Activities include Hourly Tours and Chocolate Lollipop decorating for the kids.
