### MAKE IT: FORTUNE COOKIES

Buy 10-15 fortune cookies from a Chinese restaurant. Cut printer paper into 10 (3-by-1 inch) strips and use markers, crayons or colored pencils to write a message or draw a picture on each strip. Microwave a fortune cookie on high 20 seconds. If it's still stiff, microwave again in 5-second increments until pliable but not too hot to handle. Quickly open the cookie and remove the fortune. Slide the new fortune in, pinch the cookie back together, and let harden for 30 seconds.
